

Del 27 de febrero al 28 de marzo se celebra en Pontevedra el XVI Salón do Libro Infantil e Xuvenil de Pontevedra, que este año lleva por lema “De la Ciencia a la Ficción”. El suelo está muy presente en este evento. Así, dentro de las actividades que se desarrollarán en el Recinto Ferial de Pontevedra está desde el 7 de marzo el “Xogo do Solo”, iniciativa del CSIC en Galicia con el apoyo de la Vicepresidencia Adjunta de Cultura Científica del CSIC en el marco de la conmemoración en 2015 del Año Internacional del Suelo. Por otra parte, el 13 de marzo se presentó el cómic “Vivir no Solo”.
